**Earth Sciences for Society**

# The International Year of Planet Earth (IYPE)

Proclaimed by the United Nations for 2008 and established in 80 nations and regions,

Recognizes and congratulates

## National Committee for IYPE in Hungary

For its overall best performance during the IYPE Triennium (2007-2009)

And for its major contribution to spread the 'Earth Science for Society' message in Hungary

**Prof. Larry Woodfork**

Chair of the Board of Directors & Officers  
International Year of Planet Earth Corp.
